

MY BACKGROUND

I am an energetic and enthusiastic man who love to explore new things and enjoy turning ideas into results. Satisfactions indeed when I'm having a good time playing with assumptions and ideas to complete the valuation of a business or project.

CORPORATE FINANCE

CAREER EXPERIENCE

NEW AGE INGENUITY

EXSIM HOLDINGS SDN BHD

Corporate Finance Assistant Manager | March 2025 to Present

During my tenure with EXSIM Group, I have been assigned to support in the preparation of business proposals, meeting decks, and client reporting packs. Develop financial models, conduct business valuation, debt financing consultation as well proposing exit strategies for our corporate clients. Committed to solving complex client problems i.e. group restructuring, debt settlements, business model rationality and etc.

M & A SECURITIES SDN BHD

Corporate Finance Assistant Manager | Jun 2021 to Oct 2024

During my tenure with M&A, I was involved in the corporate exercises i.e. Bonus Issue of Warrants and proposed IPO listing to ACE Market of Bursa Securities Malaysia. I am able to handle assignments independently and liaise with stakeholders (i.e. clients, solicitors, independent market researcher, share registrar and company secretary. Able to meet the timeline set by the superior and work with due care to ensure quality as well as standards.

HONG LEONG INVESTMENT BANK BERHAD

Corporate Finance Senior Executive | Feb 2021 to Jun 2021

During my short tenure with HLIB, I was involved in the corporate exercises i.e. Rights Issue of ICPS with Warrants and proposed IPO listing to ACE Market of Bursa Securities Malaysia. I have completed the listing of and quotation of the said rights issuance (deal size of RM56.0 mil). I have been involved in the drafting of Abridged Prospectus, making announcement, due diligence works and liaising with advisers as well as relevant authorities.

SIERAC CORPORATE ADVISERS SDN BHD

Corporate Finance Senior Executive | May 2019 to Jan 2021

During my tenure with SCA, I was involved in ratification corporate exercises, financial modelling and valuation, IPO financial adviser, independent advisory work, financial due diligence, investment evaluation and corporate restructuring involvement.
